

To Visitors with a Disability Certificate

(Physical Disability, Rehabilitation, or Mental Disability Certificate)

■ If the patient is not a passenger (such as when picking up a patient at the front)

Please present the disability certificate and receipt for consultation (even if free of charge) to the staff at the exit gate. There will be no parking fee.

■ If the patient is the driver or a passenger

Be sure to present your disability certificate to the staff at the exit gate.
Parking will not be free of charge if the staff cannot verify it.

※ Free parking is offered only with presentation and verification of a disability certificate.

Thank you for your cooperation.
