

On Use of Devices such as Smartphones in the Hospital

○ You can use your devices which emit radio waves, such as PCs or smartphones, in wards and outpatient clinics. However, when you are instructed to stop using them by hospital staff, please follow the instructions.

○ Cautions on Use

Do not use any electronic devices in the following areas, except in family waiting rooms and day rooms.

East Ward		West Ward	
9F	Circulatory Care Unit (CCU)	9F	Cardiovascular Care Unit (CVCU)
8F	Stroke Care Unit (SCU)	4F	Intensive Care Unit (ICU)
4F	Intensive Care Unit (ICU)	3F	Neonatal Intensive Care Unit (NICU)
2F	Closed Ward		Maternal/fetal intensive care unit (MFICU)
1F	Trauma and Acute Critical Care Center		Growing Care Unit (GCU)

○ Public Wireless LAN (Wi-Fi)

Handai Free Wi-Fi is available in wards and outpatient clinics. Please connect NTT Broad Point (SSID: Handai_HP_Free_Wi-Fi).

You can get a startup guide on the rack in Entrance hall, Inpatient's reception, or Staff station of each ward. If you can't find it, please ask Information or hospital staffs.

- If you have any technical questions, please contact NTTBP Call Center at 0120-261-065 (weekday 10:00am-5:00pm). Hospital staffs are not available to answer technical questions.
- There is no PC or tablet for rent.

○ Making a call

You can make a call in the following places.

- Wards: private rooms and day rooms
- Outpatient Clinics: specific area where permission for use is displayed

○ To avoid disturbing other patients, please use headphones or earphones when playing music or videos.

○ It is prohibited to take pictures or make audio or video recordings without permission.
